Neighbor Release

Job Address: _____

Fumigation Date: _____

This is to inform you that we will be performing a fumigation at your neighbor's house located at the above mentioned address. In order to complete the fumigation, **we will need to enter your yard and place tarps and sand bags on your property. If plants are within 10 – 12" inches of this area damage may occur to your plants. The Fumigator will do their best to keep damage to a minimum. We ask that you keep any pets and children out of the yard and away from the tarps during this process.**

Please inform us of any special conditions or precautions we should be aware of prior to the fumigation date.

We appreciate your cooperation with this matter. By signing below, you agree to let the fumigation crew access to your property in order to complete the fumigation.
